As we know the Hijri month begins when the lunar crescent is first sighted. Do you know the dua we recite when we see the new moon?

Duaa when sighting the new moon:

Allaahumma 'ahillahu 'alayna bil'amni wal'eemaani,
wassalaamati wal-'Islaami, wattawfeeqi limaa tuhibbu
Rabbanaa wa tardhaa, Rabbunaa wa Rabbukallaahu

- ☆ O Allah bring us the new moon with security and Faith, with peace and in Islam, and in harmony with what our Lord loves and what pleases Him. Our Lord and your Lord is Allah. ☆

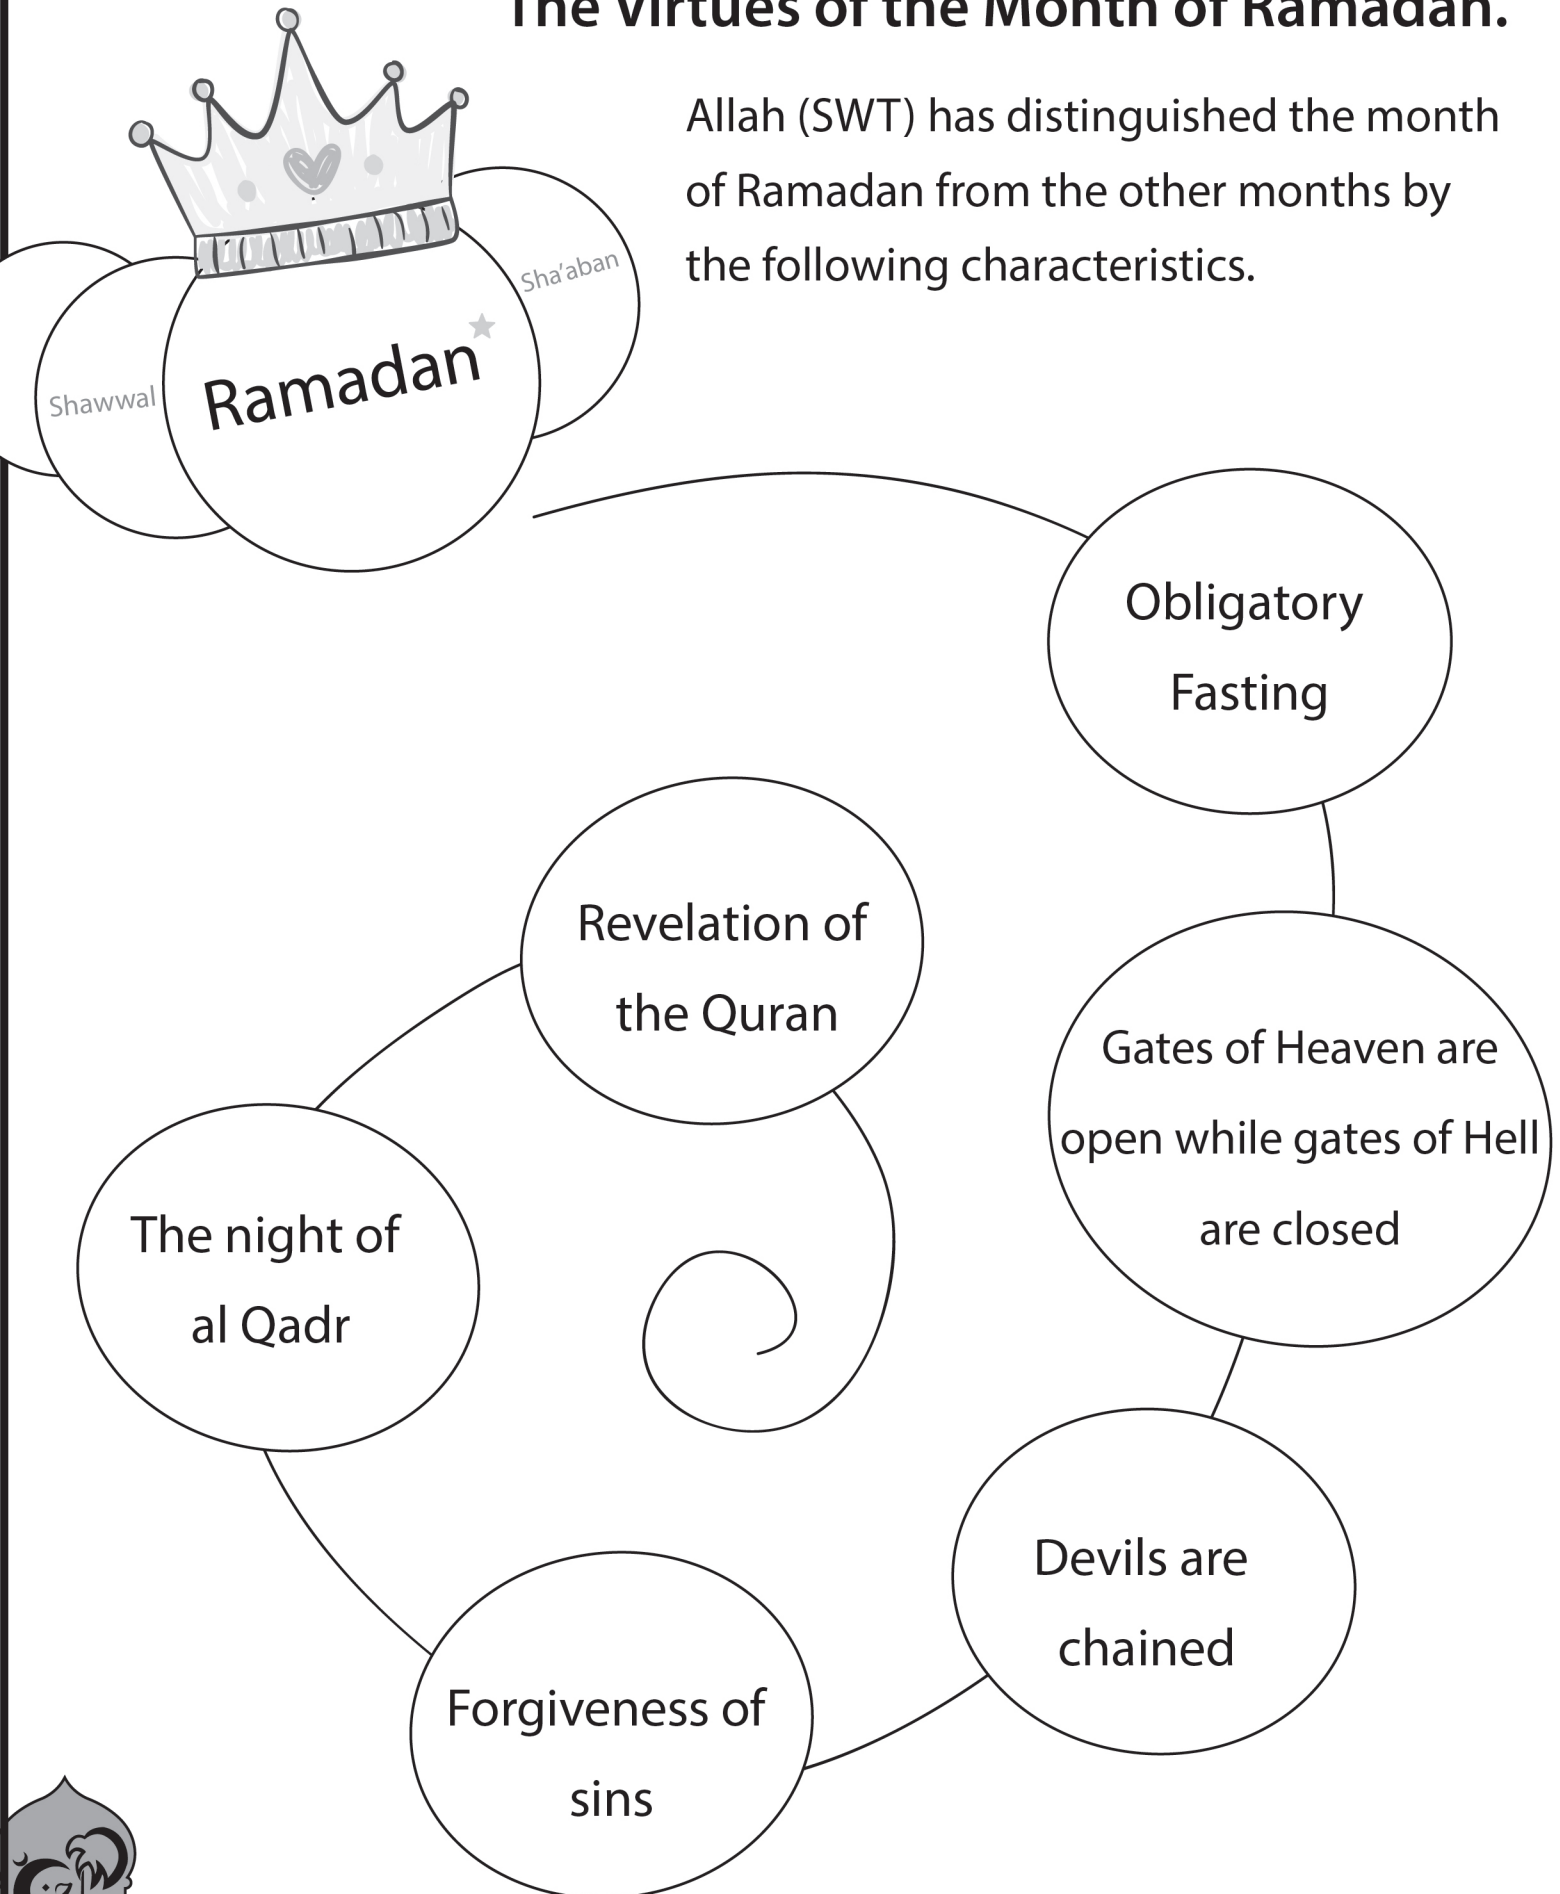

Decorate the crescent moon by using any of yours decorations such as, constructions papers, glitter, stickers, etc.

The Virtues of the Month of Ramadan.

Allah (SWT) has distinguished the month of Ramadan from the other months by the following characteristics.

Fasting Ramadan:

Prophet Muhammad (pbuh) said: Islam has been built on five [pillars]: testifying that there is no deity worthy of worship except Allah and that Muhammad is the Messenger of Allah, establishing the 5 daily Salat (prayer), paying the zakaah (obligatory charity), making the Hajj (pilgrimage) to the House of Allah, and fasting in Ramadan

What are the virtues of fasting?

Fasting has great rewards that only Allah (SWT) knows. Prophet Muhammad (pbuh) told us about the rewards that Allah promised his fasting slaves such as:

Follow the dots to find out the merits of fasting

SUIS

Fulfillments of prayers (duaa)

Treasures of good deeds

The fasting person's mouth smells better than musk to Allah

Forgiveness of sins

Protections from bad deeds

Entering Jannah from the gate of Rayyan.

How do I fast?

Draw a picture for each sentence.

1

Before I sleep, I make my intention (Niyyah) for fasting the next day to get the pleasure of Allah.

2

I wake up before Fajr to eat suhoor and earn the blessings.

3

I don't eat or drink and I stay away from anything that breaks my fast.

4

I break my fast at Maghrib time.

Prophet Muhammad (pbuh) said:

"He who fasts has two joys: a joy when he breaks his fast and a joy when he meets his Lord."

It is time to break our fast.....which dua you should recite?

Allahumma laka sumtu, wa 'alaa rizqika aftartu

Dhahab az zamaa'u wab tallatil urooqu wa thabat al-ajru Insha-Allah

O Allah! I fasted for You and I break my fast with Your sustenance. Thirst has gone, the veins are moist, and the reward is sure, if Allah wills

It is recommended as a Sunnah to break your fast with water or dates.

Who is excused from fasting in Ramadan?

Children and elderly people are excused as it might be hard for them to fast in Ramadan.

Can we break our fast for a specific reason?

Yes if you are sick or travelling and it is difficult for you to fast, but you should make up these days after Ramadan.

What about if I forgot and ate while I was fasting, what should I do?

I continue my fasting and I praise Allah (SWT).

Prophet Muhammad (pbuh) said: "Whoever forgets that he is fasting, and eats or drinks is to complete his fast, as it was Allah who fed him and gave him something to drink."

الحمد لله

How can I spend my time during the blessed month of Ramadan?

Umar and Lena are planning to use their time wisely during Ramadan. Can you help them choose the right deeds? Write yes or no in the circle.

I planned a list of the TV shows I will be watching.

I made a schedule to read complete Quran.

I will help my mom in house chores although I will be hungry.

I will make dua every-day during the recommended times to be answered.

I will spend the night in having fun and eating.

I will go shopping with my friends to buy new clothes.

I will watch all the new soccer matches.

I will pray Taraweeh with my dad everyday at the mosque.

I will help in distributing the food for the needy people in our neighborhood.

I will sleep a lot during the day to pass time so I can break my fast.

I will pray with my friends after Isha prayer.

I will make sure to perform my daily prayers and recite my adhkaar.

What about you my friend, what are you going to do during Ramadan?

Handwriting practice area with six horizontal lines inside a large, rounded rectangular frame.

My Akhlaq (Manners) in Ramadan:

One might feel hungry or tired during Ramadan, but don't be one of those who loose temper easily because of hunger. Prophet Muhammad pbuh advised us to have the best manners while fasting.

Can you be a role model and control your temper, over come your tiredness, and rely on Allah?

If I got angry while fasting or someone mistreats me, I don't react back, instead I say:

#\$%\$#

oh Allah
I am fasting

Special Days..... and Distiguated Nights!

Do you like solving math problems like smart kids?

Let's calculate:

Average life span of humans is 70 years....each year has 12 months, so one lives approximately $70 \times 12 = 840$ months.....masha Allah.

But Allah mentions in the Quran about a night which is better than 1000 months, so as it is better than the whole life of a person.

When is the Night of Power (al Qadr)?

The night of al Qadr is like a hidden treasurewe need to look for it and make duaa so Allah SWT guides us to it.

We will look for the blessed night in the last five odd nights of Rmadan find the numbers of these days and color it:

Prophet Muhammad pbuh said:

“Whoever stays up during Laylat al-Qadr out of faith and in the hope of earning reward, all his previous sins will be forgiven.”

What Should I do in the night of al Qadr?

The most important acts of worship are:

- ♡ Salah
- ♡ Quran Recitation
- ♡ Supplication/Duaa

Duaa of the Night of al Qadr:

Prophet Muhammad pbuh taught us to recite this duaa on the night of al Qadr:

Allahumma innaka `afuwwun tuhibbul `afwa
fa`fu `annee ”

“O Allah! You are forgiving, and you love forgiveness. So forgive me”.

Remember to make duaa for your parents, siblings, teachers, your loved ones and for all the Muslims everywhere.
